

Greater Alton Church

A Special Place For...

Worship

The primary reason we meet together is to focus on God —
Giving Him our praise for the life-changing blessings that He provides!

Learning

We believe the Bible is God's love letter to mankind. Every word was written so that we may know God, and how He meets our needs as we deal with life's everyday struggles. Difficulties are part of life, and we believe God's word offers real solutions. With this conviction, we strive to create an atmosphere of perpetual learning. Every assembly, activity, and relationship is dedicated to this goal!

Friendship

At Greater Alton Church you'll make real friends, and build the healing relationships that God desires for you; helping to shape your character, and improve your life. We believe friendships should go beyond 'hellos' and 'handshakes', to heart-felt love — Love that serves as a bond; holding us together in good times... as well as bad!

Service

While God's word provides the answers to all of life's difficulties, solutions often require more than words alone. Greater Alton is committed to service. Members are secure in the knowledge that help is available to meet a variety of needs. Our commitment also extends to those who are not part of our fellowship. That's why we look forward to serving YOU!

Welcome

We're glad you chose to visit our website today! If you like what you see and hear, please consider visiting us at our Sunday morning worship service. We hope you'll enjoy the service, and find something helpful and real. You are more than welcome to also join us in remembering Jesus as we take communion every week. Afterward, stop by the Welcome Center in the small dome on your way out, where you'll find friendly people offering helpful answers to any questions you may have. And if you'd like to hear the [sermon](#) again - or any past [sermon](#) - you may listen online right here at this website after 5pm every Sunday.

Thanks for visiting our website today! And may God bless you!!!
