ROCKSTAR

2024 LADIES RETREAT

April 20-21
Collinsville DoubleTree

People are arriving... The crowd grows... The lights go up... The music starts... She walks on stage... There is a roar as she takes the microphone... She is a rockstar!

Ladies, you are God's ROCKSTAR. Chosen by Him to shine in a dark world.

But you are his chosen people...He chose you to tell about the wonderful things he has done. He brought you out of your darkness into his wonderful light. 1 Peter 2:9

Whether you realize it or not, you are on God's stage and the world is your audience. Both publicly and privately, people are listening to your words. Your family and friends are watching what you do. What does your audience see? What will the crowd hear when it's time for you to step on stage?

Join us for **ROCKSTAR**, a weekend retreat with the ladies of Greater Alton. Together we will learn what it takes to be His star. God has chosen you!

Shine like stars in the dark world. Philippians 2:14

Startacular

The stars come out Saturday night. Put on your rockstar themed outfit and get ready to cut loose! Enjoy a fun evening of great music, karaoke, photo ops and more!
