## EVENTS BULLETIN

### **New Small Group Class**

**Wednesdays at 6:30pm at GAC**

This 6 week class offers practical strategies and insights to enhance your effectiveness in leading and participating in small groups. Whether you're a small group leader or interested in helping make your small group better, this course will provide valuable tools to strengthen your group. Register today in the ChurchCenter app or at the Welcome Center.

### **New Life Support Group**

**May 2nd- July 18th | Thursdays at 6:30pm at GAC**

A Biblical approach to the 12 steps, bringing spiritual principles into focus and making them come alive for transformational living! We believe everyone can benefit from a Life Recovery Experience because we all have struggles in life, struggles with addictions, depression and anxiety, relationships, food, and smoking, to name a few. You'll be encouraged to see how others have found a new way of life with hope for the future through Life Recovery.

**Register in Church Center.**
