**Jump Start Youth Rally**

**August 15-17 | Neosha, MO.**

Calling all parents of middle school & high school students! The Jump Start Youth Rally is an amazing place for your student to mingle with lots of other churches and youth groups, & to gain deeper connections with the collective body (Ohana!) of Christ. It's a place where they will reconnect with camp friends, be challenged by amazing speakers, participate in a resounding chorus of praise, and even have a shot at winning scholarships from Christian Schools. We believe this event will give the faith of your student a Jump Start this school year!!

Please visit Church Center to Signup and for additional details. Adult Volunteers needed for transportation. Please visit Sidney or TK at the ministry information center for more information.
